

BRING NATURE INTO YOUR SCHOOL WITH A SCHOOL MEMBERSHIP

Your school membership includes **NatureWILD magazine** (unlimited digital access and two printed copies sent directly to your school four times/year) and **Curriculum Connections** guide. NatureWILD helps you meet cross-curricular learning outcomes by linking each issue to the BC curriculum with an accompanying digital Curriculum Guide.

With a **NatureKids BC school membership**, you also receive regular e-news with seasonal activities and teaching ideas, resources, grant opportunities and more. As members of NatureKids BC, your school becomes part of a growing network of students, teachers and parents who believe in the importance of connecting children with nature.

Annual membership fee = \$50 (quarterly NatureWILD magazine - two printed copies and unlimited digital access - and Curriculum Connections guide)

You can also add additional copies of NatureWILD to your school membership so that each student has their own copy to take home and keep.

Additional NatureWILD copies _____ x \$9 / student/year = Total _____
